rough-and-tumble giant, under O'Rourks's training developed into an even-tempered. hardy, strong, rugged boxer.

The above unsolicited words from Mr. O'Rourke, who, by the way, has been the owner of the Broadway Athletic Club, the Lenox Club, the Coney Island Club and Royais Golf Club, and who is known to be otees of the manly art, tell the whole story. He found in Paine's Celery Com-pound nature's food for the nerves.

While this remedy has effected thousand of cures among those who are sick, and have been shattered, and who were suffering from the symptoms of the beginning of a deep-rooted impairment of the nervous system-it is worth noting that even in those exhausting contests where absolutely perfect nerves are pre-eminently needed this remedy has also been found equally as beneficial in repairing the exhaustion

fect nerves-if such men have found it necessary to feed the nerves and brain with the food nature requires—it is good proof that this greatest of all remedies, the dis-
